**AMENDMENT AFTER FINAL REJECTION**

In response to the final Office Action dated February 27, 2003, Applicants respond as follows:

Please amend the claims as follows:

- 
1. (Previously Amended) A visual user interface for a telephony device with a screen display, the visual user interface comprising:
- an application program selection area, including user interface controls for selecting application programs;
  - a call slip area, including a call slip user interface for displaying telephone line state information; and
  - a customizable area including at least one user interface element enabling the user to select a service of the telephony device, including any one of the following services: a compose e-mail service, and an online directory service.
